## “VANITY OF VANITIES”

...Familiar words spoken by an ancient scrooge,  
at least that's the feeling most  
of us get from a cursery reading of the book of Ecclesiastes.

But maybe there's more to this Old Testament grinch than  
we'd be led to assume. His message could be exactly what we need to save  
Christmas, or better yet...our lives and our living.

Maybe his message is intended to magnify the message of  
Christmas by bringing it to bear on our deepest needs in the context of a  
heart wrenching world of futility.

If you feel as though life just doesn't add up, or  
as The Preacher of Ecclesiastes puts it:  
“I have seen everything that is done under the sun,  
and behold, all isVanity.”

Then Join us for

— Christmas Under the Sun —

A night of bringing the truths of Christmas to bear upon the  
deepest longings of the Human heart.
